

## 2.2.7. Rest of Eurasia

- The loan book recovered its upward path in the fourth quarter of the year.
- Reduction in the balance of deposits, strongly impacted by the branches in Europe.
- Significant progress in earnings, supported by good revenues and reduction in costs.

### Definition of the area

This business area includes business activity in the rest of Europe and Asia, i.e. the Group's retail and wholesale businesses in the area.

The [Management Report](#) provides more details on the macro and industry trends, activity and earnings of this business area.

### 2.2.8. Corporate Center

The Corporate Center is an aggregate that contains the rest of the items that have not been allocated to the business areas, as it basically corresponds to the Group's holding function. It includes: the costs of the head offices that have a corporate function; management of structural exchange-rate positions; specific issues of capital instruments to ensure adequate management of the Group's global solvency; portfolios and

their corresponding results, whose management is not linked to customer relations, such as industrial holdings; certain tax assets and liabilities; funds due to commitments with employees; goodwill and other intangibles. It also comprises the result from certain corporate operations carried out by the Group in 2015.
